## MOMs Mealtrains

Calling all MOMs! Please consider participating in this mealtrain for Gina Domm, who is back home from the hospital after giving birth to Gabriel (baby boy #3)! The Domm family welcomes any and all meals- takeout to homemade dinners.

Let's support this family during this time of healing and getting used to their new normal as a family of five!

Let's continue to fill Tanya Hazen's mealtrain!

Tanya was just deployed to Afghanistan for a year, and her mother is caring for her two boys while she is gone. Let's surround Tanya's boys and mother with love as she is bravely serving our country! They welcome any and all meals during the year-long deployment.
